

**Position Overview:** Youth Instructor

This position requires a detail-oriented, self-starter capable of working independently in fast-paced, diverse environments. The instructor will work with youth discussing social skills along with engaging activities to gain a better understanding of why these skills will be beneficial throughout daily life.

In addition to the social skills activities this position will be trained in bicycle repair and be responsible for instructing students how to properly perform basic upkeep and repairs of a bicycle, based from FLIPANY's curriculum. As a youth instructor you must be passionate about engaging with youth completing hands on lessons, while demonstrating relevant teaching experience as well as behavior management skills.

**Pay Information:** \$15/hr

**Key Attributes of a Strong Candidate:**

- Ability to be prepared on time, communicate with staff and be reliable
- Ability to work with low-income, disadvantage youth populations
- Creativity in problem resolution and an open mind to new ideas
- Ability and willingness to work evenings and possible weekends to conduct sessions
- Commitment to accuracy and excellence
- A positive attitude
- Ability to be supportive of youth at all times
- Ability to represent FLIPANY in a professional manner in the community
- Ability to work independently, as well as part of FLIPANY's team
- Ability to be flexible
- Excellent communication skills
- Ability to accurately complete reports, record notes, tec.
- Proficient in computer applications; Microsoft Office, Google Docs
