

2020/2021 Summer Food Service Program

7-Day Meal Box

Like so many of you, FLIPANY has spent the past few months learning about the Coronavirus (COVID-19) and how it continues to impact our world. This also means understanding how it affects our staff, our sites, our children, and our communities; then making the necessary adjustments to our operations. Remaining dedicated to doing what we do best- providing excellent options for health equity in South Florida, FLIPANY has developed additional methods for our sites to continue offering the community with options to mitigate contact while still receiving the resources they need to lessen child hunger.
